

Private Session Cancellation Policy

Time and energy are intentionally invested in preparing for each private session to ensure the highest quality of support. To maintain the integrity of this work and honor the schedule, the following policy applies:

Cancellations and Rescheduling

Cancellations or rescheduling requests must be made at least 12 hours in advance of your scheduled session. Appointments canceled with less than 12 hours' notice may be charged in full, as the time has been specifically reserved. Exceptions may be made in cases of emergency or unavoidable circumstances, at the discretion of the practitioner.

Late Arrivals

Sessions may be time-based or open-ended, depending on the nature of the work. In open-ended sessions, completion is guided by a clear shift in consciousness, allowing space for natural opening and integration. Clients arriving more than 20 minutes late without notice may be considered a no-show and may be charged in full.

Responsibility and Agreement

By scheduling a private session, you acknowledge and agree to this cancellation policy. This structure supports consistency, respect for time, and a stable foundation for the work.
