

## **Private Session Cancellation Policy**

Time and energy are invested in preparing for each private session to ensure the highest quality of support.

To maintain the integrity of this work and honor the schedule, the following cancellation policy applies:

### **Cancellations and Rescheduling**

- Cancellations or rescheduling requests must be made at least 12 hours in advance of your scheduled session.
- Appointments canceled with less than 12 hours' notice may be charged in full, as the time has been specifically reserved.
- Exceptions may be made in the case of emergencies or unavoidable circumstances, at the discretion of the practitioner.

### **Late Arrivals**

- If you are running late, please attend the session as soon as possible. Sessions will generally end at the scheduled time to accommodate other appointments.
- If time permits, a slight extension may be offered, but this is not guaranteed.
- Clients arriving more than 20 minutes late without notice may be considered a no-show and may be charged in full.
